

Course Information

CSCE 145

Overview

- Basic Information
- Lecture
- Lab QA
- Lab Assignments
- Homework
- Make-up Work
- Exams
- Regrade Requests
- Cheating
- Other Important Information

Basic Information

- | | |
|---|--|
| <ul style="list-style-type: none">• Instructor: Dr. JJ Shepherd• Office: Horizon 2 Room 2215• Office Hours:<ul style="list-style-type: none">– Tuesday 02:30pm-04:10pm– Thursday 02:30pm-04:10pm• Email: shephejj@cse.sc.edu• Website:
https://cse.sc.edu/~shephejj/csce145/<ul style="list-style-type: none">– Homework and Lab Assignments– YouTube Link for Recorded Lectures– Lecture Slides and Examples– Exam Study Guides | <ul style="list-style-type: none">• Blackboard: blackboard.sc.edu<ul style="list-style-type: none">– Submit all assignments (Labs, Lab Reports, Homework)– Programming assignments must be written in the Java programming language and the source files (file extension “.JAVA”) must be submitted.– Written assignments are to be submitted in a common word processor format (DOC, DOCX, or PDF file extensions). |
|---|--|

Expectations

- | | |
|---|---|
| <ul style="list-style-type: none">• Keep track of all course materials.<ul style="list-style-type: none">– Lectures, Labs, Homework, Email, Course Website, etc.• Ask questions and inform us about issues as soon as possible.• All assignments must be done individually.• Submit assignments before the deadline.<ul style="list-style-type: none">– No late work will be accepted. | <ul style="list-style-type: none">• Keep track of your grades<ul style="list-style-type: none">– Grades can be found on Blackboard.– Regrade requests must happen within <u>one week</u> after the assignment was graded. |
|---|---|

Expectations

- | | |
|--|--|
| <ul style="list-style-type: none">• Follow directions exactly as instructed.<ul style="list-style-type: none">– Points will be deducted if instructions are not followed.– Submit Assignment to their Correct Location.• Check and Test All Work Before Submitting.<ul style="list-style-type: none">– Nonfunctional code, no matter how close, is nonfunctional and points will be deducted.• Be Organized and Practice Good Time Management<ul style="list-style-type: none">– Poor organization in code, written assignments or submissions will result in points being deducted.– Poor Time management will result in points being deducted. | <ul style="list-style-type: none">• Send All Coding Questions via Email.<ul style="list-style-type: none">– More effective than asking before or after class.– More effective before coming to office hours.– Send to BOTH the Instructor and the TAs.• Provide Important, Relevant Information in email and other communication.<ul style="list-style-type: none">– Name, Course, Section, Assignment Name, etc.– Work in Progress Code– Notes on the problem• <u>Communication</u> is fundamental to ALL of this. |
|--|--|

Lecture

- In Person or Recorded Lectures
 - Similar information will be presented in both.
 - Choose whichever works best!
- Attendance is not required for the in-person lecture.
- Go over new material.
- Provides relevant examples.
- Gives a tons of hints on various problems.

Lab QA

- Lab Question and Answer (QA) Sessions.
- Reinforces what was gone over in lecture.
- Happens twice a week.
- Teaching Assistants (TA's) will be around to answer questions about the lab and other assignments.
 - Lab Solutions
 - Lab Reports
 - Homework
 - Homework Redo
 - Exams

Lab Assignments

- Lab Assignments
 - Lab Solution = Programming Assignment
 - Lab Report = Written Assignment
- Submit them to their corresponding Blackboard location each week.
 - Ex. LabSolution01 and LabReport01
- Attendance is not required but is taken.
- 10 Lab Solutions at 1% = 10% Overall Grade
- 10 Lab Reports at 1% = 10% Overall Grade

Homework

- A longer programming assignment
 - Friday by 11:55PM
- Related to previous lectures and previous labs.
- Upload to Blackboard before the deadline.
- Late submissions will receive a 0.
- Make sure to comment!
 - Include your name
 - Include at least 5 relevant comments
- 8 Homework at 2.5% = 20% Overall Grade

Homework Redo

- Allows points to be earned back on a previous assignment.
 - Homework
 - Lab Solution and Lab Report
- If you do not get the solution at first, then keep working on it!
- These occur twice each semester
 - Near the Midterm
 - Close to the Last Day of Class
- Make sure to include the text document detailing which assignment is being made up.

Make-up Work

- Make-up work for assignments can be requested **before the assignment is due.**
- Only a small fraction of assignments can be made up for any excuse(s), which is limited to exactly
 - **1 Homework**
 - **1 Lab Solution**
 - **1 Lab Report.**
- Outstanding make-up work must be completed and submitted before any additional make-up work can be issued.

Exams

- 2 Midterm Exams and Final Exam
- In-person, closed-book, closed-notes, no communication, and no electronic devices
- Midterms Exams during the Lecture Time.
 - **02/18/2026 Wednesday**
 - **04/08/2026 Wednesday**
- Final Exam **05/01/2026 at 12:30PM** in same lecture location.
- Final Exam is Optional and replaces a previous, lower Midterm Exam.
- Requires the use of a pencil or pen.

Exams

- If accommodations are needed, then they must be approved by SDRC **BEFORE** the exam's date.
- If there is a known conflict, then arrangements to take a make-up exam must be made **AT LEAST ONE WEEK BEFORE THE MIDTERM EXAM'S DATE.**
- Midterm Exam 01 = 30% Overall Grade
- Midterm Exam 02 = 30% Overall Grade
- Final Exam = 30%* Replaces previous, lower Midterm Exam

Regrade Requests

- Must be sent directly to the instructor.
- Must occur within ONE WEEK after the assignment has been graded.
 - If the assignment was graded 01/14, then I need to be informed before 01/21 to be considered.
- Must provide detailed arguments regarding why points were unfairly or unreasonably deducted.

Cheating

- DON'T DO IT
- Strikingly similar code
- Improper Collaboration
 - Colleague gives you code
 - You give a colleague code
- Using unauthorized materials
 - Copy and pasting from an unauthorized website
 - AI doing most or all the work for you
- Any offense will be reported to the Office of Academic Integrity

Grading

- Keep track of all of your grades on Blackboard
- The TA's grade mostly everything.
- Problems or concerns about a grade?
 - CONTACT ME IMMEDIATELY!
 - You have ONE WEEK after a grade has been assigned to dispute it.
- No late work is accepted.
- All grades are final by the last day of class
 - The class before the final

From the Syllabus

Grade Breakdown

Type	Percentage of Overall Grade
Lab Solution Average (10 at 1% each)	10%
Lab Reports Average (10 at 10% each)	10%
Homework Average (8 at 2.5% each)	20%
Midterm Exam 01	30%
Midterm Exam 02	30%
Final Exam	30%*

Suggested Practice

Attend In-Person Lecture

Watch Recorded Lecture

Take Written Notes on the Concepts

- Handwritten is most effective.
- Take notes directly on the Lecture Slides and Example.
- Print it out or use editing tools.
- When in doubt, draw it out.

Write out the Lecture Example Yourself

- Use your preferred IDE.
- Write it line-by-line.
- Practice good code organization like indentions.
- Test the code yourself.
- Use debugging tools like breakpoints to better understand the code.

Work on the Lab Solution and Lab Report

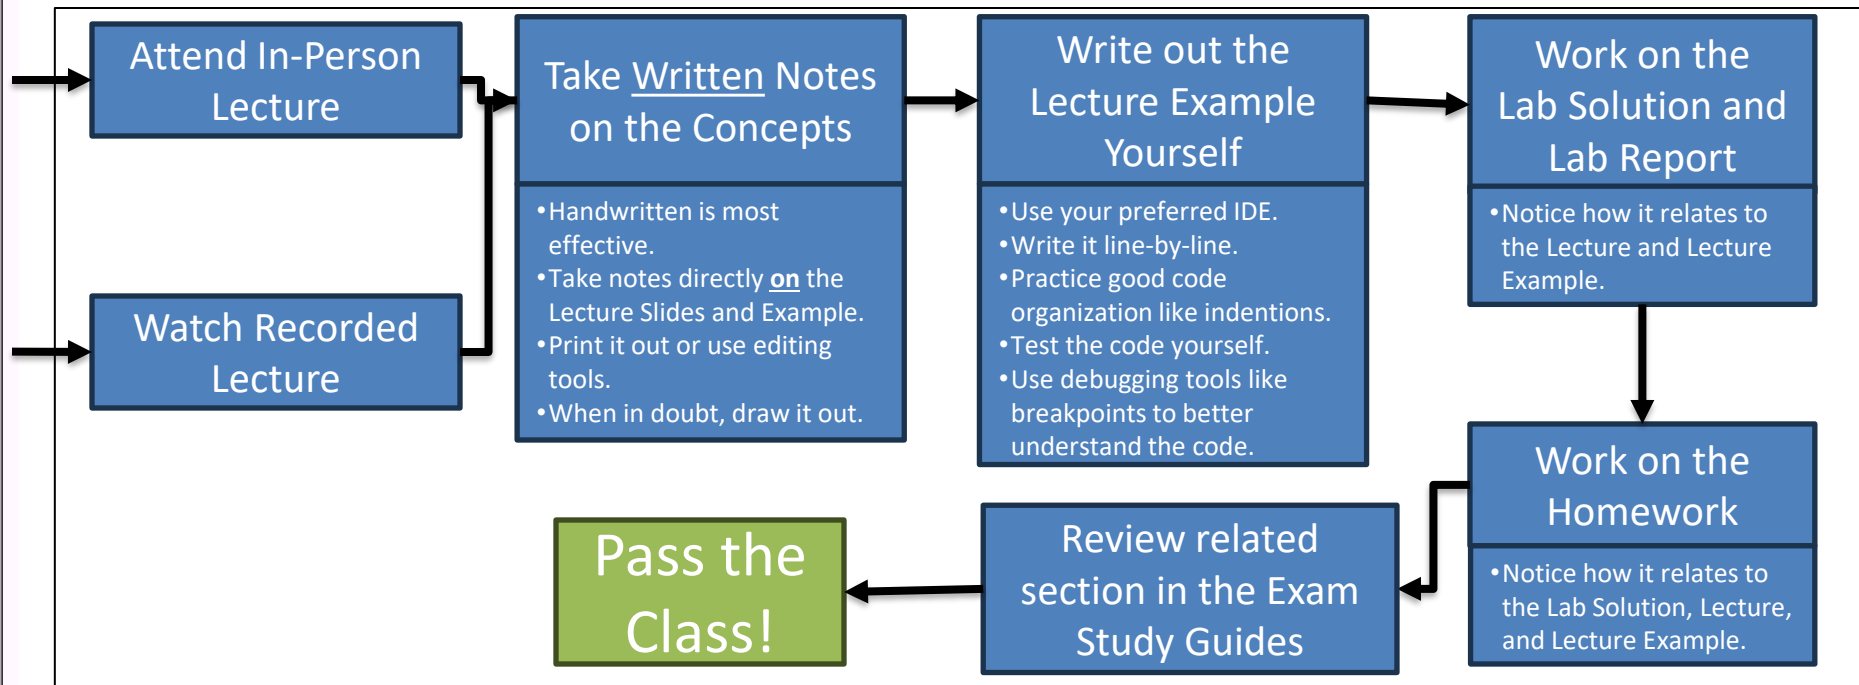

- Notice how it relates to the Lecture and Lecture Example.

Work on the Homework

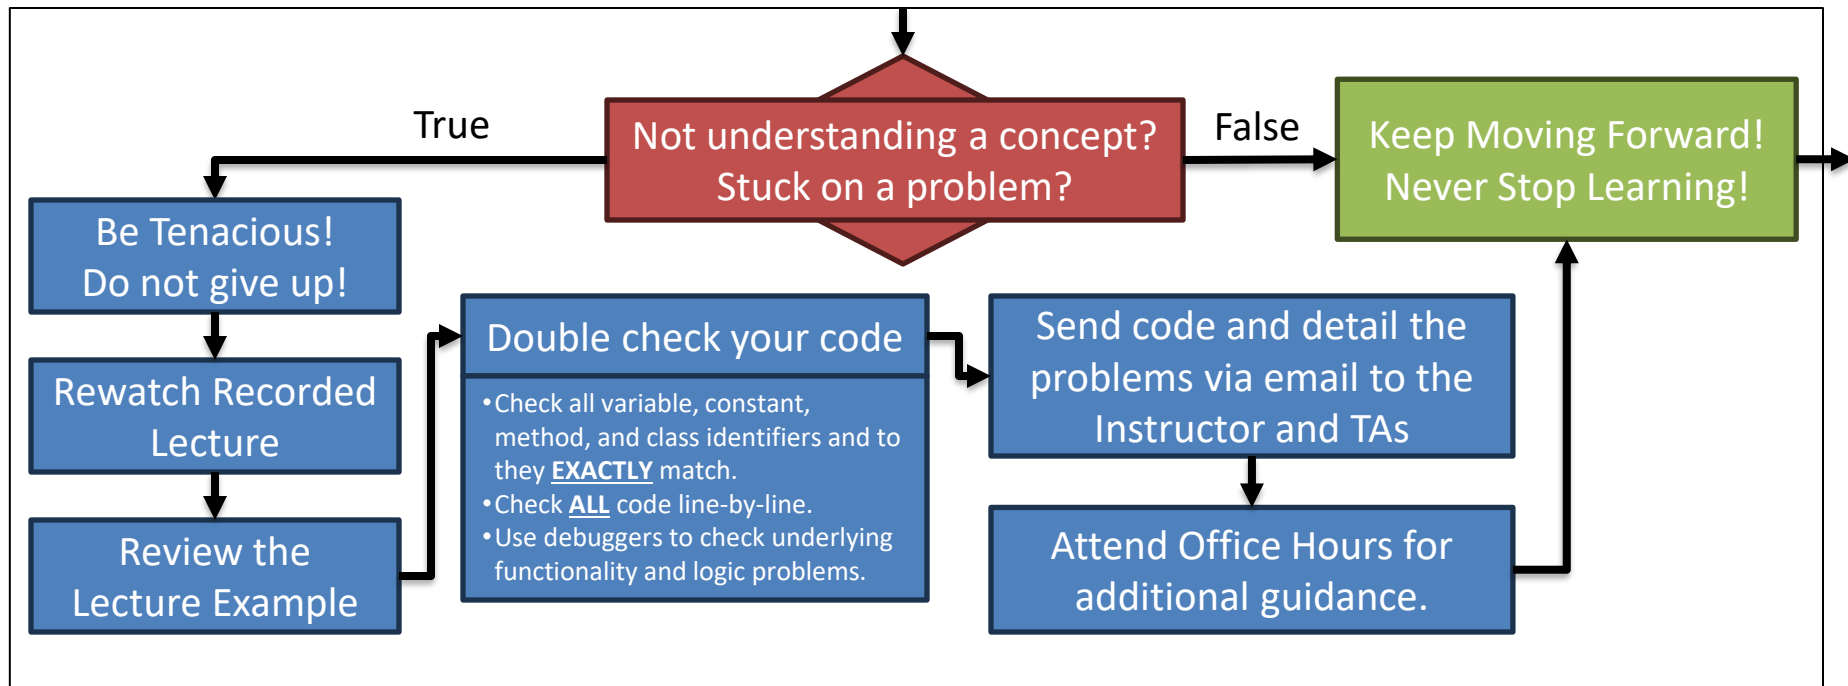

- Notice how it relates to the Lab Solution, Lecture, and Lecture Example.
